# State FlashCHARTS™

# New York

Introducing state history brought to you by FlashCharts.

**FlashCharts** are three-hole punched, laminated, and binder ready. They are a time-tested favorite for clear, concise, at-hand information. The *New York State FlashChart* folds out to six pages (opposed to the standard four) and includes many features!

- ☆ General **topography** (mountains, rivers)
- ☆ Full-panel map showing **major cities, lakes, rivers, mountains,** and **state parks**
- ☆ Spotlight of **famous folks born/raised** in state
- ☆ Description of **major cities**
- ☆ State fact box (**state size, nickname, motto, tree** and **bird**)
- ☆ **Timeline**
- ☆ History of **early settlers**
- ☆ Description of **products manufactured** and/or **farmed** in state
- ☆ Breakdown of **state and local government**
- ☆ Pie chart showing **urban/suburban, rural,** and **farm population**
- ☆ Description of **major tourist attractions**
- ☆ General **weather/climate**
- ☆ Description of **wildlife**
- ☆ **FlashFacts** throughout
